

Bus riders please check the bus route list on the following pages.

Please contact the Transportation Department at 509-659-0820 or 509-677-3533:

- If you live on a bus route and you do not see your address listed.
- Your address is listed and you will not be needing transportation.
- Please note: Pick up times are approximate, there will be adjustments made as new students are added to routes.

Continuing with the 2023-24 school year there will be assigned seating for all riders. **There will be no changing of seats allowed.**

ARRIVE AT BUS STOPS

Please have students to the bus stop 5 minutes prior to the scheduled pick up time. Routes and times are subject to change as bus loads and service areas may need adjusting once school has started to balance bus loads.

BUS PASSES

Students (all ages) are only dropped off at their regularly assigned bus stops. Students must have a bus pass if they are riding the bus home with another student or if a student is dropped off at a stop that is not their normal bus stop. To get a bus pass students must bring a written note from their parent/guardian and give it to the school office or parent/guardian may call their child's building. The office will give the student a bus pass. Remind your student to arrange for the pass with the school office **BEFORE** the end of the day.

PRACTICE SHUTTLES

Students will be expected to ride their regular bus home after school unless they are participating in athletics (for athletes there will be a daily practice shuttle). Building Principals can make arrangements if a student is staying to receive extra assistance after school. In this instance, the student will have a permission slip signed by a school administrator which will allow them to ride the practice shuttle.

GAME DAY TRANSPORTATION OPTIONS FOR MS & HS

Middle and high school students may stay after school to watch and support our LRMS & LRHS athletic teams. Students will then be allowed to ride a shuttle after the game that will either take them back to Ritzville (MS students) or back to Lind (HS students). This shuttle will leave exactly 15-minutes after each home game. Students will be responsible for making sure they do not miss this shuttle. LRMS students must get a bus pass in order to ride the shuttle. Our school districts are committed to student safety to, from and during activities/contests. It is expected that students will stay on campus during activities/contests. It is the responsibility of parents/guardians to know where their students are after school.

"Achieving Success Together."

LOST ITEMS

If something is left behind, drivers normally keep it on the bus so they can return it the next day. You are welcome to call the Transportation office (509-659-0820 or 509-677-3533) to help locate the lost article or search the lost and found.

CHANGES TO BUS ROUTES

To make our transportation system flow smoothly as possible, we will be limiting changes to pickup and drop off locations (unless an actual move has occurred). In emergency situations, or when a plan has been discussed ahead of time with the transportation supervisor, we will be flexible in our alteration of routes and plans. We know there are and will be many changes to the transportation schedule. Therefore, the key to success will be our ability to keep a constant line of communication between parents/guardians and students.

2023-2024 BUS ROUTES

Route 1 To Lind Schools

Address	Pick-Up Time
2154 N Bauer Rd	6:50 a.m.
2050 N Seivers Rd	7:00 a.m.
