

Teacher Evaluation: POST-OBSERVATION

Teacher Name: _____ Building: _____ Date(s): _____

Guiding Questions

General Questions

- What was addressed in the lesson (i.e. Performance Expectation(s), Common Core State Standard(s), Essential Question(s), Power Standard(s), and/or Learning Target(s))?
- Explain how the activities tied into the learning target.
- What type of assessments did you use (formative, summative, other)? How did you check for understanding and monitoring of all students?
- How did you bring closure to the lesson?
- How did you tie your professional goals into the lesson?

Process

- Teacher reflects on the lesson using some of the General Questions (above).
- Evaluator shares their observations.
- Make changes to professional growth goals as necessary.
- Establish next observation and "look-fors".

Look-fors at Next Observation
