**Off Campus Lunch Release 2023-24**

Dear Parent:

Your child has expressed the desire to leave the school campus during their lunch period. Students may be released at lunch upon parent request. By granting permission the parent and student **assume responsibility for any actions** and/or well-being of said student during the lunch period.

- All students leaving school at lunch must sign out and back in on the form in the lunch room with lunch supervisors.
- Students must have their lunch ID with them when off campus.
  - School supervision is limited to the campus areas therefore, the school district responsibility **cannot be extended** to students leaving campus with parent/guardian permission.

The school requires that the student return promptly to class at the conclusion of the lunch period, and follows the school rules of good conduct during the lunch period. Failure to meet these requirements can result in consequences.

1st Offense: Warning

2nd Offense: Loss of off campus privilege for 1 week

I, the undersigned parent/guardian of \_\_\_\_\_ (student's name),
