### Students On Governing Boards

Lind-Ritzville Cooperative Schools recognizes the value of communicating with students and receiving their input and perspectives. To foster this relationship with students, the board may annually seat two student representatives as advisory non-voting members of the board.

Student representatives on the board are expected to attend all meetings. The student members may contribute to board discussion by providing student insight and perspective, serve as a liaison for the associated student body and report to students about the work of the board and district activities. Student representatives may not attend executive sessions, make motions or hold board offices.
