Students and Telecommunication Devices

A. Telecommunication devices will be turned on and operated only before and after the regular school day and during the student's lunch break, unless an emergency

situation exists that involves imminent physical danger or a school administrator authorizes the student to use the device;

B. Students will not use telecommunication devices in a manner that poses a threat to academic integrity, disrupts the learning environment or violates the privacy

rights of others;

C. Students will not send, share, view or possess pictures, text messages, emails or other material depicting sexually explicit conduct, as defined in RCW 9.68A.011, in

electronic or any other form on a cell phone or other electronic device, while the student is on school grounds, at school sponsored events or on school buses or

vehicles provided by the district;

D. When a school official has reasonable suspicion, based on objective and articulable facts, that a student is using a telecommunications device in a manner that

violates the law or school rules, the official may confiscate the device, which will only be returned to the student's parent or legal guardian;

E. By bringing a cell phone or other electronic devices to school or school-sponsored events, the student and their parent/guardian consent to the search of

the device when school officials have a reasonable suspicion, based on objective and articulable facts, that such a search will reveal a violation of the law or school

rules. The scope of the search will be limited to the violation of which the student is accused. Content or images that violate state or federal laws will be referred to

law enforcement;

F. Students are responsible for devices they bring to school. The district will not be responsible for loss, theft or destruction of devices brought onto school property or
